The Safest Investments Are those that do not fluctuate during dis-turbed conditions of the money or stock market. First deed of trust notes (first mortgages), well secured on real estate in the District of Columbia, constitute "gilt edge" investments. They do not depend upon the financial responsibility of indi-viduals or corporations for their stability and are exempt from taxation as persons

efficacy of the resolution which has just passed the Senate, directing the retria! by court martial of four cadets recently dismissed from the service as a result of their conviction by court martial of the charge of taking intoxicating liquor into their quarters at the Military Academy. The main difficulty in the matter lies in the fact that these young men are not rear of 625 G street northwest; estimated now in the service and the War Department has no authority whatever over

It is admitted that the young men can be reinstated by congressional enactment and that then they would be amenable to the laws and regulations governing the army, but it is seriously questioned whether, in their present civilian status, they can be tried by court martial and the former sentence of dismissal altered
